Sir,

I humbly beg permission to bring the following representation to your favorable and sympathetic consideration.

"2.I entered Service as an Examiner in the Census Abstraction Office of 1901, and, in recognition of my services therein, was promoted to the post of English Deputy Clerk in the Hassan District Office On Rs 50 a month on the 2nd of April 1904

3.Thereafter I worked as the Head Munshi in the Revenue Sub Division Office at Davangere for about a year. I was tranferred back to Hassan on the same pay in 1906.In the District Office I worked in the Munshi, Accounts, Muzrai and English Departments and also discharged the Dasara Representative Assembly duties for six years. I had been twice deputed to the Dasara Industrial and Agricultural Exhibition at Mysore and was commended therefor. I several times acted as Revenue Head Accountant in the District Office and discharged the duties of the

Head Clerk in the English Department.I beg to enclose herewith extracts from testimonials.

4.In 1910 when the Census Superintendent's office was organised I was specilly selected for the post of the Head Clerk I now hold and I have worked here for nearly two years ever since the formation of the Department. I beg to state that the Head Supervisors who were entertained in the Census Deptt a year after me are given Rs 70 a month while I draw only Rs 75 a month

5.I am a Graduate in General Biology and Geology with Kanarese for my Vernacular Language.I have also passed the Mysore Local Service Revenue, Criminal, Civil (Parts I & II) Accounts, & Precis Writing tests.

6.In 1906_07 I was officially directed, as being one of the candidates included in the list of candidates eligible for the post of Amildars & Deputy Amildars, to pass the Rev Accounts Examination. A reply was then sent from the Hassan District Office to the Revenue Commissioner that i had already passed the Accounts Examination.

7.As directed in G,O.no; F14/75_7_Cen 40 10 2 dated the 10 th March 1911 the Offices of the Census Superintendent and his Assistants are for the most part considered as one. This has increased the duties and responsibilities of the Head Clerk. The contingent accounts of the Abstraction Office are from the beginning maintained by me and in addition to the other duties I am entrusted with the duty of passing all the proofs of the Imperial Tables to the Press .

8. I am a native of Manjarabad where education is in a very backward condition. My father Mr.M.Kalappa is an old well-known resident of the place esteemed and respected alike by Europeans and Indians of the District. One of my brothers the late Mr S.Manjaiya died in harness as Munsiff at Yedehalli in 1893.A brother of mine is now the Munsiff at Chitaldrug while a brother's son Mr S.Hiriyannaiya M.A.B.L. is an Assistant Secretary to Government in the General &Revenue Departments.

9.I respectfully and humbly pray that on a consideration of my qualifications,of the family to which I belong, and in view of the fact that I have been without any promotion since 1904 though the Officers I had the privilege to serve appreciated my work,I may be kindly conferred with any appointment carrying a salary of about Rs 100 a month.

I beg to remain

Through: The Revenue Commissioner in Mysore, Bangalore.

SIR,

With reference to your letter No.Fl.4371/Cen.14-11-2, ed the 10th April 1912, in the matter of giving some suitable in- ase of pay to my Head Clerk, [redacted]., I have the honor to forward, her h, a Proposition Statement, in duplicate, together with a re-appro ation statement also in duplicate. It will be seen therefrom that increased expenditure of only Rs.32/- per month is proposed after areful consideration of the qualifications, the conduct, and effi- ciency of the four officials to whom increments are recommended. A sum of Re.1/- each is proposed to be given to three peons. The other clerks and peons have either had increments to their pay in vacancies after coming over to this Office or not been sufficiently long in this Office.

2. As the Government are aware, it is difficult to procure the services of efficient hands for work in a temporary Department like the Census where the work is exacting, and even those who enter the Department will, unless sufficient encouragement is given, be anxious to clear out on some pretext or other. Moreover the persons who have now been recommended have rendered satisfactory service in this Department for two years. In these circumstances, I reques

request that the recommendations made may be sanctioned with effect from the 1st of April 1912. The increments proposed may either be added to their present pay or treated as personal allowances.

3. The enclosed re-appropriation statement shows the source from which the extra expenditure is to be met. In this connection, I beg to add that I have in my letter No.718, dated the 24th April 1912, to the Financial Secretary forwarded through the Comptroller, surrendered a sum of Rs.12,625/- out of the sanctioned budget allotment for the current year. The moderate increases recommended by me will be amply repaid by the enthusiasm and care which are and will be brought to bear on the Census Operations in the Head Office.

4. The source from which the additional expenditure may be met during the few months of the next Official year (about 6 months when the Census Operations are expected to be completed) will be pointed out by re-appropriation during the course of 1912-13.

I have the honor to be,

Sir,

Your most obedient servant,
